Dear Ms. Shuttleworth,

Re: **Rezoning and Plan of Subdivision**
5933 - 14th Avenue
1113529 Ontario Inc.

Further to the applications for Rezoning and Plan of Subdivision submitted by Mr. Joe Mongillo on behalf of 1113529 Ontario Inc submitted to the Development Services in early of February 2006, we wish to request your consideration to accept the following payment of fees based on last year's schedule as follows:

▪ Rezoning Application	\$ 3,800	- 14000
▪ Plan of Subdivision	10,000	12500
▪ Processing Fee (3.705 ha)	22,400	24000
Total Fee	\$36,200	50500

For your information, we attempted to make this application prior to December 23, 2005 together with the other adjacent applications (Fulton Homes and Nearnby Investments), however due to the Christmas Holiday season, we were unable to reach Mr. Mogillo as he was away out of the country at that time. We desperately tried to get him to submit the fees upon his return in late January, however because of an urgent matter (he had to again leave the country and just recently came back last week) we are only just now submitting his payment for the fees.

It has always been our intentions to make the applications by the end of 2005 since we were all quite aware of the substantial increase in the application fees. As explained above, Mr. Mongillo was not in the position to make the payment until last month due to personal reasons that required him to leave the country a number of times within the past 3 months.

We appreciate you kind consideration to this request.

Yours Truly,
MASONGSONG ASSOCIATES ENGINEERING LIMITED
