

Become a Children's Champion Gala Sponsor!

Dear Friend:

Every year hundreds of innocent children in York Region experience the horror of sexual abuse. The shocking reality is this: 1 in 4 girls and 1 in 5 boys will become victims of sexual abuse before their 18th birthday. If you believe that all children deserve a childhood free from fear and hurt, then please help us provide hope to the young victims in our community.

Become a Children's Champion today and make a difference forever!

The *Children's Champion Gala* is an annual black-tie fundraising dinner that brings hope and healing to the child and family clients of York Region Abuse Program (YRAP). All proceeds from this special event are used to eliminate the waiting list for the treatment of children who have been sexually abused in our Region.

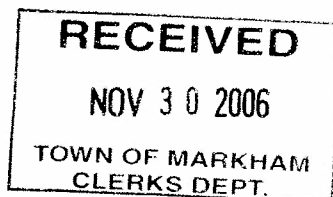

Becoming a *Children's Champion Gala Sponsor* has many benefits - including a chance to promote your company at one of York Region's highest profile charity events! Attached are a number of sponsorship opportunities for your consideration. Simply check off the package on the fax-back form that best suits your company and return it to the address indicated.

Please add York Region Abuse Program's *Children's Champion Gala* to your list of chosen charities and join us for a magical evening of delicious food and captivating entertainment. This year we're headed across the globe for a trip on the Orient Express - *all aboard!*

Warm regards,

M. Joyce Davis
