**RE: The Regional Municipality of York
Bayview Avenue Class EA Study
John Street to Major Mackenzie Drive
Our File: W.O. 6268**

Dear Ms. Kee:

On behalf of the Regional Municipality of York, we are writing to advise you of the third Public Consultation Centre (PCC) for the Bayview Avenue Class Environmental Assessment Study.

The first Public Consultation Centre was held on April 4, 2006 to present the problem, background information, and alternatives being considered to address existing and future needs for Bayview Avenue. A second Public Consultation Centre was held on December 6, 2006 to obtain additional public input on the need for road improvements. Following the consultation centre and further public discussion, alternatives for Bayview Avenue were developed, analyzed and compared to determine a preliminary preferred alternative.

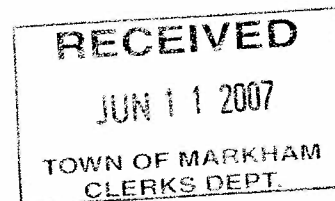

A third Public Consultation Centre has been arranged to review and obtain public comments about the analysis and comparative assessment of the alternatives and the preliminary preferred alternative. Following the consultation centre, all comments will be considered in the development of a final preferred solution. We have enclosed a copy of the notice, which provides detailed information regarding the Wednesday, June 27, 2007 Public Consultation Centre.

If you have any questions or require additional information, please contact Nick Colarusso of The Regional Municipality of York at 1-877-464-9675 (ext. 5945) or the undersigned at 905-823-8500.

Yours very truly

THE REGIONAL MUNICIPALITY OF YORK

CLASS ENVIRONMENTAL ASSESSMENT STUDY BAYVIEW AVENUE (Y.R. 34)

John Street to Major Mackenzie Drive
Town of Markham and Town of Richmond Hill

NOTICE OF PUBLIC CONSULTATION CENTRE #3

The Regional Municipality of York is undertaking a Class Environmental Assessment (Class EA) study to address existing and future road needs and improvements on Bayview Avenue (Y.R. 34), from John Street to Major Mackenzie Drive (Y.R. 25) in the Towns of Markham and Richmond Hill. The study is being conducted in accordance with Schedule 'C' of the *Municipal Class Environmental Assessment* (June 2000) process, approved under the *Ontario Environmental Assessment Act*. The study area is shown below.

The first Public Consultation Centre was held on April 4, 2006 to present the problem, background information, and alternatives being considered to address existing and future needs for Bayview Avenue.

A second Public Consultation Centre was held on December 6, 2006 to obtain additional public input on the need for road improvements. Following the consultation centre and further public discussion, alternatives for Bayview Avenue were developed, analyzed and compared to determine a preliminary preferred alternative.

A third Public Consultation Centre has been arranged to review and obtain public comments about the analysis and comparative assessment of the alternatives and the preliminary preferred alternative. Following the consultation centre, all comments will be considered in the development of a final preferred solution.

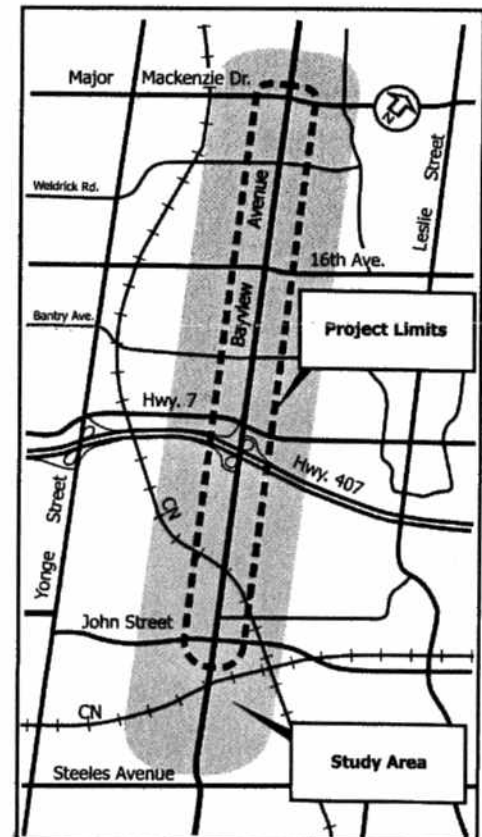

PUBLIC CONSULTATION CENTRE #3

Date: Wednesday, June 27, 2007
Time: Open House (Drop-In) 6:00 p.m. to 9:00 p.m.
Formal Presentation at 7:00 p.m.
Place: Thornlea Secondary School
Gymnasium
8075 Bayview Avenue
Thornhill

Anyone with an interest in the study is invited to attend and participate. If you cannot attend but would like to provide comments, please forward them by July 18, 2007 to:
