Dear Sir,

My name Boulos Dager, holding Markham taxi cab Lic No. 07251 Since 1988. Renewed every year according to Markham By Law. I am driving average of 60 Hrs per week with Markham plates M15, M107, M156. I have very good records with the Town Of Markham. I drove 10 Years in Town Of Markham before I put My Name on the Priority list. I am currently driving M156 with Eleven Eleven Taxi. According to Town Of Markham By Law I have to be driving taxi in Town Of Markham for 44 Weeks before I will be issued a Taxi Plate from Town Of Markham.

Until such issue I should remain on a priority list. I believe that I should be remaining on the priority list, until the date of the issue.

I server Town Of Markham for most of my life and will continue to do so.

I like to thank you in advance for giving me the opportunity to explain to you my side of the story. I hope you will be fair to me.

Yours Truly

Boulos Dager
