Mayor and Councillors
Town of Markham

On behalf of the Weeden family I wish to thank you for the street sign, Gordon Weeden Rd, in honour of our brother, uncle and cousin, Gordon H Weeden which you erected in north east Markham.

The Weeden family met recently and were impressed that the Town of Markham had honoured our family member and others who gave their life in order that we may have the rights and freedoms we have today.

Also thank you to Mayor Scarpitti and Biju Karumanchery for their assistance in this matter.

Gord Weeden
