Dear Ms. Hau:

Thank you for your help. Below is a basic summary of the reasons why we celebrate and commemorate these dates. Should you require anything further, please let me know.

International Day - March 6. This is a day of celebration at our school. With such a diverse school community, students often are unaware of the similarities that their cultures share. Therefore, with the bringing of cultural foods, and encouraging cultural dress, students can learn to appreciate how wonderful, yet similar we all are.

Montessori Education Week Feb. 23-27

Based on the Montessori philosophy and methodology of teaching, parents and students are shown what the program entails, how and why it works as well as the celebration of the life of Maria Montessori, the founder of this program. There are numerous Montessori schools in the Markham area which can all attest to the relevance of this subject and type of teaching.

Sincerely yours,

**NOW, THEREFORE,** I, Frank Scarpitti, Mayor of the Town of Markham, do hereby proclaim **October 6th – 10th, 2008 as "RideShare Week"** in the Town of Markham, and urge the community to support this worthy initiative.

**IN WITNESS THEREOF,** I have hereunto set my hand and caused the Seal of the Town of Markham to be affixed, this \_\_\_\_ day of \_\_\_\_\_, 2008.
