EVENT CODE 2009-073

COMMUNITY EVENT – ROAD USE APPLICATION

INTRODUCTION

Any organized activity such as: marathon, walk-a-thon, bike-a-thon, street festival or street party involving the use of, or having impact upon a public property, public facilities, parks, sidewalks, pathways, closing of street, or temporary use of private property that varies from its current land use, requires approval from the Town of Markham.

Please note: The boulevard area is part of the road allowance and therefore cannot be included for use without a road closure. Crowds on the boulevards are located too close to the edge of road and hazardous to vehicular traffic. In addition, sidewalks and boulevards blocked with crowds force pedestrian traffic onto the travel portion of the road.

Final approval may include certain conditions and/or restrictions that will be the responsibility of the event organizer(s) and committee members.

Please complete the road use notification in its entirety and submit with the applicable fees no less than 60 days prior to the event date.
