Dear Ms. Kitteringham,

Once again, we would like to bring to your attention that our Community is holding our Annual Greek Festival, which is one of our Main Fundraising events for our Church, during the last 2 weekends of the month of July. These are July 17, 18, 19 & 24, 25, 26 of this year, at our church grounds located on 11359 Warden Avenue (just north of Elgin Mills Road).

It will be an event attended by more than 20,000 people. Attached with this letter is the additional information you requested, as per our telephone conversation.

We would like to therefore request a Special Occasion Permit for this event to obtain our Liquor License, etc..

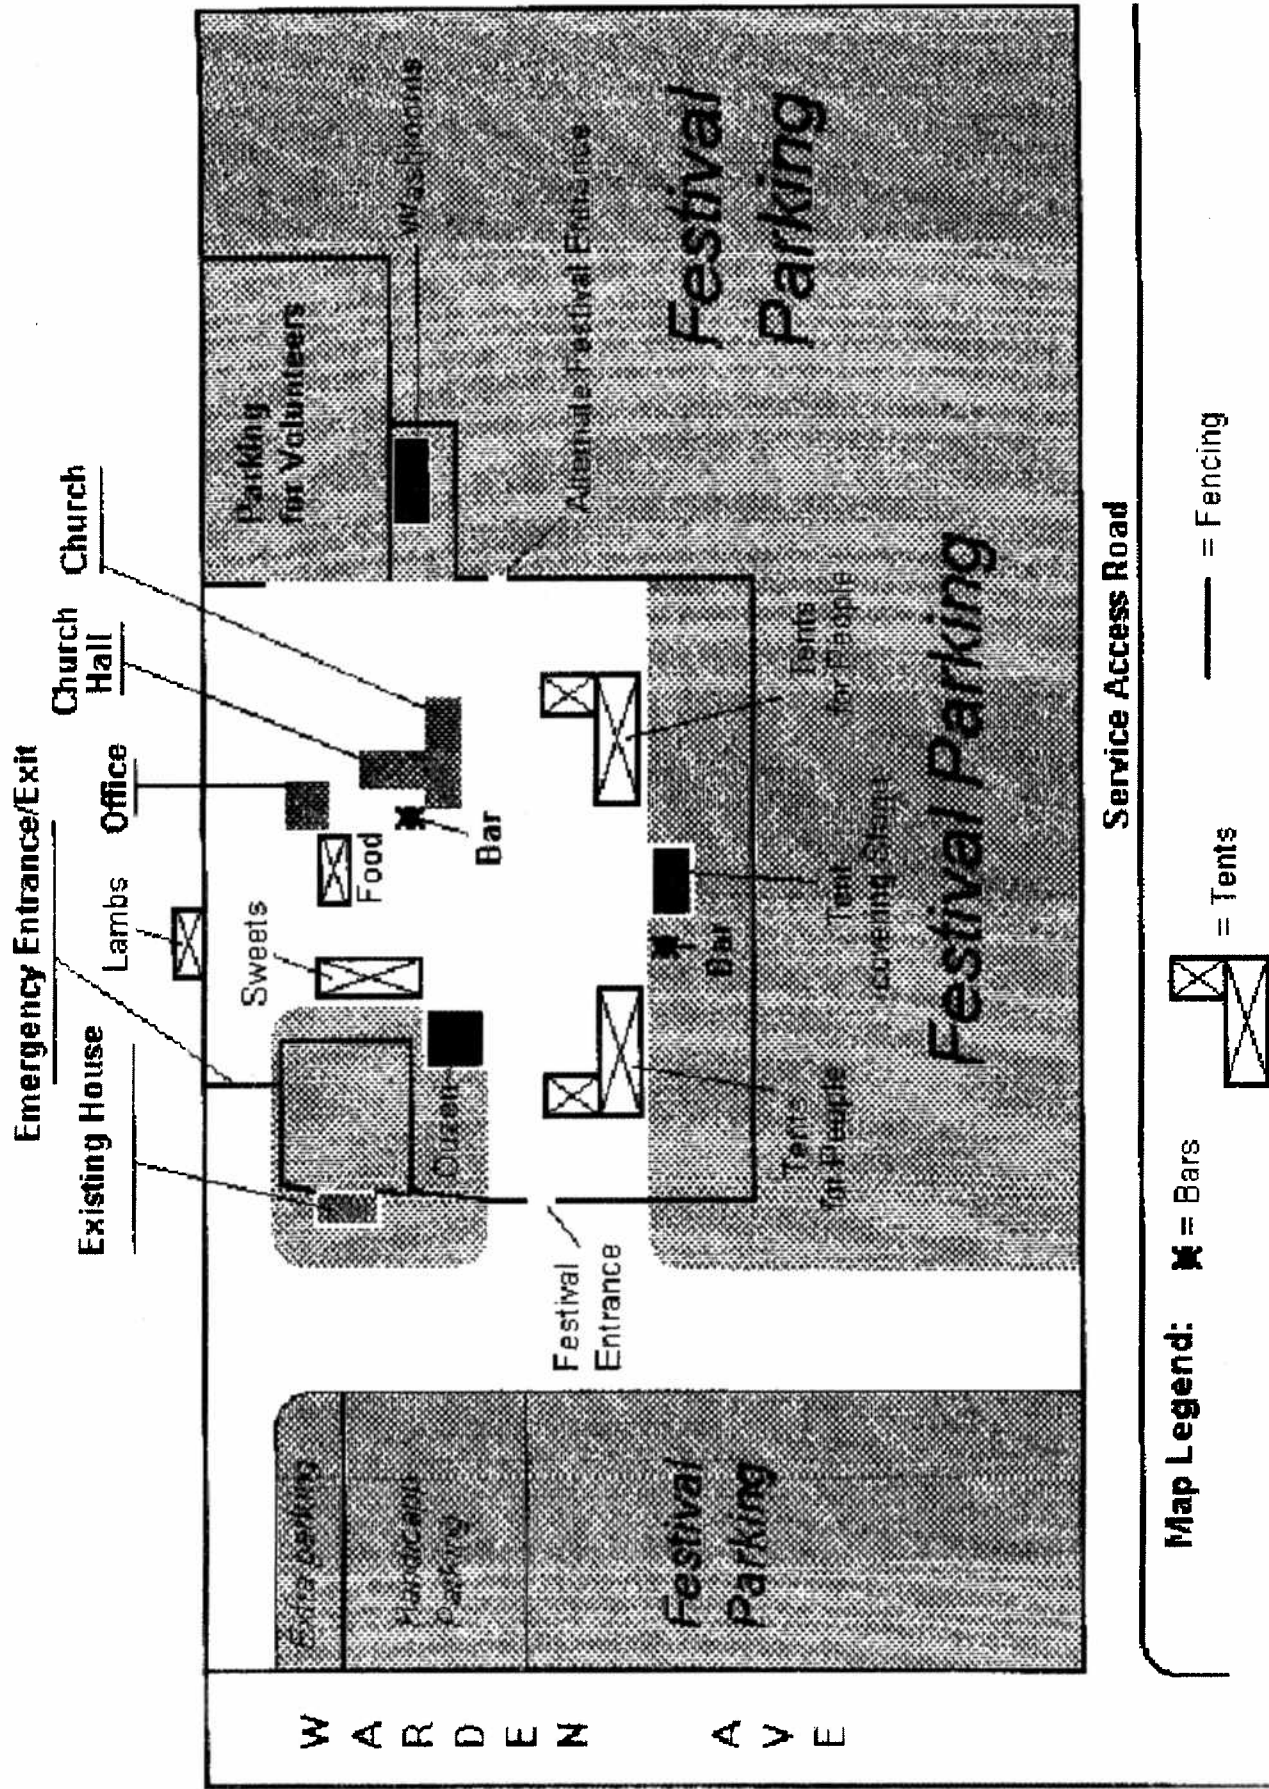

If you have any further questions, please contact myself at (905) 887-7311.

Thank you.

Sincerely,

Rev. Father Odiseys Drossos
