FIGURE No.4

BEFORE

View from 5801 Major Mackenzie Drive East looking north towards proposed monopole location.

AFTER

Custom Monopole shown at approximately 41 metres in height. The Antennas are to be concealed within the panels at the top of the tower structure. The simulation of the tower is produced based on information provided by Telus Mobility prior to construction.

Photograph location is approximately 97 metres (318 feet) from the proposed tower location.
