Re: Parking Restriction Bylaw for Legacy Drive and Rouge Bank Drive

Dear Logan and Domenic

The Legacy Community Ratepayers' Association requests that the Town of Markham, approve a bylaw restricting parking on Legacy Drive and Rouge Bank Drive adjacent to Legacy Park.

Since Legacy Park was completed by the developer, we have experienced increased traffic congestion due parking on both sides of the street by players and guests during baseball games on the two Legacy Park diamonds managed by the Town.

Attached please find our petition signed all available residents that are fully in favour of restricting parking to the Legacy Park side of these two roads. We have conducted separate petitions for each road.

We are further requesting the Town rezone these roads by late February so that adequate time can be allowed for notice be given you teams and clubs booking the Legacy Park Baseball diamonds, signs be erected by March 30<sup>th</sup>, and enforcement be arranged. Once approved, we will inform or residents of this changes and encourage them the comply with the new bylaw and aid as appropriate with notification for Town enforcement.

Please review our submission at your earliest convenience and confirm when this bylaw will be presented to the Development Services Committee and Markham Council.

Your prompt assistance and support is greatly appreciated.

Sincerely

A handwritten signature in black ink, appearing to read 'Al Pickard', followed by a horizontal line.

## Petition to Markham Council

### Requesting Restricted Parking on Rouge Bank Drive (South Side)

Recognizing that the Town of Markham's general parking by-law permits parking on all unsigned roads except during specified overnight hours; and,  
Recognizing that during use of the baseball fields located in Legacy Park there is a tendency for vehicles to park on both the North (field) side and South (residence) side of Rouge Bank Drive; and,  
Recognizing that past experience in the Town of Markham has shown it is extremely difficult to prevent parking on the field side of baseball diamonds; and,  
Recognizing that there is more contiguous parking available on the North (field) side of Rouge Bank Drive; and,  
Recognizing that the establishment of a no-parking zone will require the posting of permanent signs in the boulevard area of the no-parking zone;  
We, the undersigned residents of Rouge Bank Drive who live on that portion of Rouge Bank Drive located between Legacy Drive and Cottontail Avenue and are thus most directly affected by this request, respectfully request the Town of Markham establish a no-parking zone on the South (residence) side of Rouge Bank Drive between Legacy Drive and Cottontail Avenue.
