Attn: Development Services Committee
Re: Markham Agricultural Assessment Final Study

Dear Members of Committee

Please find enclosed our presentation to address several issues identified in the Markham Agricultural Assessment Study, which is on the Council Agenda December 1st.

Based on the recommendations of the study, we will be putting forward several motions in relation to this item at Council. Please refer to page 24 of the presentation for the recommended next steps.

We felt it important to provide Committee members with a copy in advance for your review. If you have questions or comments please feel free to contact us.

Sincerely,

Councillor Valerie Burke
