

Appendix B

Sketch Illustrating Proposed Severance of Lot

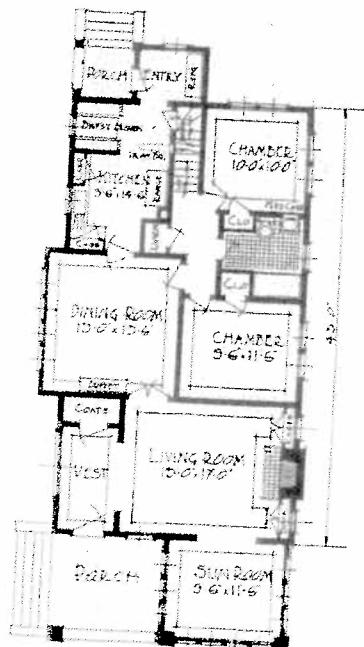

Appendix C

Illustration from 20th C Plan Book- Similar House

Morgan Plan Suggestion No. 22-A

IT IS hard to find a more charming bungalow than shown here. All on one floor with ample storage space in the attic. Large living room with sun room attached; dining room almost square—the ideal; kitchen complete with cases, breakfast nook adjoining; two nice bedrooms with closets; and bathroom located where it is most convenient.

Many of the designs can be built of materials other than those shown—to suit individual tastes.
