**Subject:** Change of address 4 to 2

I sent an email concerning my request to have my house number changed from 4 to 2 to Councillor Carolina Moretti who advised me to contact you and copy to her. ( I am forwarding the original messages to you in this email).

Several years ago I requested a number change from 4 Jolyn Court to 2 Jolyn Court (there is no # 2 and the corner house next door does not face Jolyn Court). As several people have now been allowed to do this I would also like permission to do so.

Thank you fro your attention
