

Report to: General Committee

Date Report Authored: May 5, 2010

SUBJECT: Fire Station 99 - Cornell
PREPARED BY: Henry Tse

RECOMMENDATION:

THAT the presentation by Thomas Brown Architects Inc. be received;

And that the design of the Cornell Fire Station be approved;

And that staff proceed with detailed design and costing and report back to committee;

And that Staff be authorized and directed to do all things necessary to give effect to this resolution.

EXECUTIVE SUMMARY:

N/A

PURPOSE:

To receive permission to proceed with detailed design and costing of Fire Station 99-Cornell.

BACKGROUND:

The development charges background study identified the requirement for a fire station in the Cornell area. In 2002 a deployment study was completed and a suitable location for the station was identified and the property has since been purchased.
