IMPORTANT INFORMATION

- If your application is incomplete, it will be returned to you.
- If your application is submitted too late to process, it will be returned to you.
- Up to four (4) temporary extensions may be granted for an establishment in one (1) calendar year.
- Any conditions that apply to your Liquor Sale Licence will also apply to the extended area.
- It is the licence holder's responsibility to ensure compliance with all other laws, by-laws and regulations during an event for which a temporary extension has been approved.
- If a tent will be used as the proposed extended licensed area, and the tent has walls that can be rolled down and secured, those secured walls may be considered a fixed partition. Please identify on the sketch if this is the case. Tents without walls or walls that will stay up will require a fixed partition to surround the licensed area so it is separate from the unlicensed area.
- In instances where a large community event is planned and various establishments in that community intend to apply for a temporary extension, **it would be more efficient** if the event organizer, or the Business Improvement Association (BIA) were to undertake the task of gathering all of the completed applications and required supporting documents **from each establishment** intending to take part, and then submit a complete package on behalf of the participants to the AGCO, well in advance of the event.
- Licensees are responsible for providing security sufficient to ensure that all requirements of the *Liquor Licence Act* and Regulations are observed. In determining whether security is sufficient, licensees should take into consideration the nature of the event and the calculated capacity noted on the temporary extension application form.
- To find out what your **legal responsibilities** are as a licence holder, refer to the Liquor Licence Act and Regulations.

Copies of the **Act** and Regulations are available from ServiceOntario Publications.
