**CHAIR’S INDEGENOUS LAND ACKNOWLEDGMENT**

Before we begin today’s meeting, we would like to give acknowledgment to the traditional land we are grateful to have the opportunity to gather on today. We acknowledge our presence on the traditional territory of many Indigenous Nations who have and continue to call this territory home including the Wendat, Anishnabek Nation, the Haudenosaunee Confederacy, the Mississaugas of Scugog, Hiawatha, Alderville First Nation and the Metis Nation.

Mr. Hendriks heard from a third party that a member of the Metis Nation had a negative reaction to being included in land acknowledgments in general. He will continue to research and improve the acknowledgement where possible.

The Chair mentioned that there will be a Masters Indigenous Games event held at Downsview Park July 13-15, 2018 which will feature competitions and cultural events as well.

Referencing Agenda Item 7.1 Mr. Hendriks asked the Board to complete the Delegation of the Board’s authority over the summer which is being circulated.

The Chair asked the Board if they have not already done so to complete the Skills Matrix. The information will help plan the skill set for the next Board.

There was some discussion as to the timing of the Official opening of Aaniin Community Centre and Library on July 14, 2018. Staff will confirm.

Mr. Hendriks provided an update on the OLA Super Conference. He attended the 2019 Conference Planning Committee meeting where many conference session proposals were short-listed.

3.0 CEO’s Highlights, June 2018:

The Chair asked if there were any comments or questions from the Board and asked the CEO for her input.

The CEO mentioned that the opening of Veterans Square and Cenotaph was well attended along with the Repair Café held the same day at Markham Village Library. The very successful “Repair Café” is offered in partnership with York Region and NewMakeIt. Based on its success, staff are planning to offer a Repair Cafe in each quarter of 2019.

Finalists for the Smart City Challenge were announced and no GTA municipalities were selected as finalists.

The CEO drew attention to the Website for Seniors services in Markham to be developed pursuant to the York Regions Seniors Strategy. The goal is to connect “seniors and caregivers to the right programs and services at the right times.”

Seconded by Mrs. Lillian Tolensky

4.0 Annual Monthly Policy Review:
(To be undertaken at the January meeting)

5.0 Internal Monitoring Reports:
(Compliance list of internal monitoring reports and discussion led by members.)

5.1 Executive Limitation: EL-2c Budgeting/Forecasting
(Assigned to Mrs. Lillian Tolensky)

Mrs. Tolensky did not receive any questions or concerns by e-mail.

There was a question from the floor on the Capital Budget request for tablets. It was explained that the tablets would be purchased for use by customer services including public information support, programs, summer camps and digital media labs; as well as for staff training and for Board member use at Board meetings to support a paperless agenda.
The report also contained a proposal to install a conferencing System at Aaniin Library program room that will support the following functions: entrepreneurs using the Business Hub, public functions and conferences, distance staff training and Library Board meetings.

The report confirmed that the CEO and MPL’s practices relative to MPL’s Budgeting/Forecasting comply with the requirements of EL-2c policy.

Moved by Mrs. Lillian Tolensky
Seconded by Mrs. Pearl Mantell

Resolved that the Board receives the report entitled “Internal Monitoring Report-Executive Limitation EL-2c Budgeting/Forecasting”.

Carried.

5.2 Executive Limitation: EL-2h Community Relations
(Assigned to Mrs. Marilyn Aspevig)

Mrs. Aspevig reviewed the report, found it to be complete and moved that it be received.

She did receive one question from the Board;

“Since accessibility for people with print disabilities is of particular interest, if there is time I would be interested to hear what kind of success staff feels it is having engaging educators to use services such as CELA’s Educator Access Program to bring the Library’s accessible resources to their students with print disabilities (vision loss, dyslexia, etc.).”

Staff responded that the outreach to schools focuses on instruction or information to students and families. CELA is one of the messages delivered. Teachers also receive these messages but are not our primary target audience of outreach. More effective in promoting our service to educators is getting on the agenda of their meetings and demonstrating their value. We have focused on teacher librarians because they do have regular area meetings. It is more difficult to talk to teachers of students with special needs as they have limited availability and we have to rely on one to one meetings.

The report confirmed that the CEO and MPL’s practices relative to MPL’s Community Relations are in compliance with the requirements of EL-2h policy.

Moved by Mrs. Marilyn Aspevig
Seconded by Ms. Margaret McGrory

Resolved that the report entitled “Internal Monitoring Report: Executive Limitation, EL-2h Community Relations” be received.

Carried.

5.3 Executive Limitation: EL-2i Compensation and Benefits
(Assigned to Mr. Alick Siu who was absent, presented by Mr. Ben Hendriks)

Mr. Hendriks asked if there were any questions or concerns about the report, there were none.

The report confirmed that the CEO and MPL’s practices relative to MPL’s Compensation and Benefits comply with the requirements of EL-2d policy.
Moved by Mr. Ben Hendriks
Seconded by Mrs. Pearl Mantell

Resolved that the report entitled “Internal Monitoring Report-Executive Limitation EL-2i, Compensation and Benefits” be received.

Carried.

5.4 Executive Limitation: EL-2j Communication and Counsel to the Board
(Assigned to Mrs. Yemisi Dina)

Mrs. Dina stated that she would be leading the discussion on EL-2j. She did not receive any questions and asked if there were any from the floor. There were none.

This report states that “The CEO shall not permit the Board to be uninformed or unsupported in its work.”

The report confirmed that the CEO and MPL’s practices relative to MPL’s Communication and Counsel to the Board comply with the requirements of EL-2j policy.

Moved by Mrs. Yemisi Dina

With regard to the replacement of public computers, this has been rescheduled to late fall.

There was a correction on page 64 that the last 4 indicators are out of 5, not 10 as shown.

There were quite a few clarifications and questions. The Deputy Mayor commented that the report shows a lot of progress and had a question about future expanded library hours. The CEO responded that staff will request additional operating budget hours in 2019 to support Sunday morning openings.

There was a clarification that all Library branches are open until 6:00 p.m. on Fridays.

8.0 Ownership Linkage:

8.1 Input from Board Members

Mrs. Aspevig attended the opening of Veteran’s Square and Cenotaph which was very moving and impressive and the Repair Café. She thought the Repair Café was a wonderful idea and the turnout for both events was excellent.

Mrs. Tolensky attended the Thornhill Community Centre open house with her granddaughter. She had questions about the book for Markham Reads. Staff explained that the title is not available from the publisher at this time.

Mrs. Mantell was at Thornhill Library and commented on the extraordinary assistance she received from staff.

Deputy Mayor Heath had a question about the outdoor stairs and programming for the library event space at Aanii. Staff said that the stairs would be completed for the opening and would be available for library programming.

Mrs. Dina visited Halifax and was enthralled by the Central Library, expressing how beautiful and well managed the facilities were.

The Chair informed the Board that Ms. Shi’s (Delegation April 23, 2018) final delegation request was that her own words be included in the minutes of today’s meeting. He asked the Board if they had a problem with this. They agreed to the request. The statement follows:

**The notes for the minute: (This would be April 23, 2018)**

*Ms Shi greeted the Board and thanked them for the opportunity to speak and for the opportunity to display her photo exhibit in Markham Village Library. As a supporter and partner of public libraries, Ms Shi put forward three suggestions regarding the library’s Art Exhibit Policy and the Board’s By-Laws for the purpose of making them more accessible for the community members and better respond to community’s needs.*

*She thinks that public library’s role has expanded into a public space/platform for interests and issues relevant to the community and diverse views of the community. She suggests that the Library communicate with artists on the context of the works and turn them as opportunities for the community to have conversations on issues relevant and important to the community when complaints arise.*

*As per the MPL By-Law on delegations, she thinks that there should be some provision for a shorter lead time (By-law states one week before a Board meeting to get on the Agenda) and suggests that other Boards/Committees have less stringent timeframes. Regarding the by-law on notice of motion by board members, she suggests that the Board get the lead-time shorten as well.*
Ms Shi’s colleague Mr Hu Yang also wished to address the Board and chose to speak in his own language while Ms Shi translated for him.

Mr Hu stated that he was pleased to be able to speak and was grateful for the partnership of MPL for the exhibition. Mr Hu said that the exhibition was a success because it had made the public pay more attention to the topic of gender equality. He also said that with the efforts from the society including the attention from media organizations and efforts from the library, the library had solved the issue of the removed photos successfully. He thinks that it is quite normal that there are different opinions on exhibitions. He feels that the role of the Library has changed and that public space/platform provides an opportunity for community members to discuss and exchange their views on social issues.”

There was a lot of discussion and commentary.

9.0 **Board Advocacy:**

9.1 **Events for the Next Quarter**

Staff explained that summer months tend to be quieter as summer camps are running. Two events that should be of interest includes the Markham Reads event August 9, 2018 with the author and the opening of Aaniin July 14, 2018.

There was a question about Story Walk.

Moved by Mrs. Marilyn Aspevig
Seconded by Mrs. Lillian Tolensky
